# Meeting the INSC Objectives

- *A global forum to discuss and establish common aims and goals.* - **These meetings, registration of INSC, and operating a bank account are steps in this direction. However, more still needs to be done**
- *Act as global NGO in nuclear matters of international nature.* - **Position Statements (more to be done – See opinions on enhancing the visibility of INSC)**

# Meeting the INSC Objectives

- *Through their Nuclear Societies, represent views and positions of professionals and workers in the nuclear field* - **Much needs to be done here**
- *Value the work and achievements of nuclear community of the world based on ethical principles adopted by the Nuclear Societies.* - **Global Award**
- *Increase operational efficiency of Nuclear Societies by establishing means for cooperation and complementation in the execution of their programs.* - **Annual Workshop**

# Conclusion

- In today's Workshop, presentations from the 5 Regions of the INSC.
- Presentations will highlight
  - organization/administration of some of the Member Societies,
  - nuclear energy situation in the Society's country/Region,
  - the SMR development in the Region.
- The INSC has come a long way since its inception in 1990.
- Now is the time for INSC to take its rightful place in the nuclear community.
- The current crop of Executive members, with the help of the INSC general membership is working very hard to make this achievable.
- **HELP US TAKE INSC TO THE NEXT LEVEL.**
