

30 YEARS OF PROMOTING GENDER EQUALITY  
AND DIVERSITY IN THE NUCLEAR SECTOR

## Our vision

To be a forum for raising awareness about the essential contributions of the **peaceful uses** of the nuclear energy and radiation applications, with special emphasis on the protection of the public, the quality of life, and as a key element for the solution of the climate crisis, and for promoting gender equality and diversity.

## WE ARE

Unique intercultural  
NGO of skilled  
women in the nuclear  
sector

Network of  
influence in the  
nuclear sector

Contributor  
to innovative  
solutions

## WE ACT

Climate change  
and sustainability

Mentorship and  
leadership  
development

Gender  
equality and  
diversity

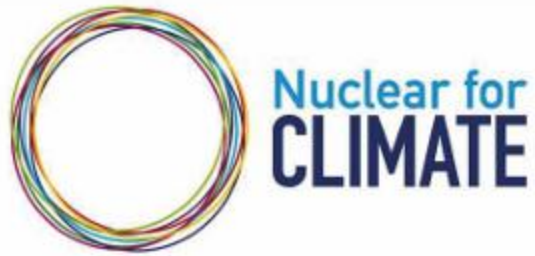

**OUR ACTIONS**  
WHAT DO WE DO?

## Climate crisis

We are an active and recognized actor in the climate change debate.

## In addition

-WiN Global is part of Nuclear4Climate and signed the COP27 Position Paper “The Fastest Path To Net Zero For A Sustainable & Energy Secure Future For All”

- **Participation at the Conferences** of the Parties to the UNFCCC (since **COP26** in 2021).
- Officially registered NGO in **COP 27** and **COP 28**.
- Official endorsement of the COP26 position paper “**Net Zero Needs Nuclear**”- half of signatures belong to WiN Chapters
- Publication of our own position paper “**Nuclear is part of the NET-ZERO SOLUTION - Our call for an inclusive, sustainable future for all**” with emphasis on a gender perspective.
- **Official endorsement** of the « Glasgow Women’s Leadership statement » published by the UK Government Scotland and UN Women.
- **Official endorsement** of the Industry Statement to the Tenth Review Conference of the Parties to the Treaty on the Non-proliferation of Nuclear Weapons, promoted by the World Nuclear Association (WNA).

# Position Papers at COP

- WiN Global at COP 28 Climate impacts on women and children need meaningful action now — nuclear power can support this action
- WiN Global at COP 27 'HARNESSING THE POWER OF NUCLEAR - CLEAN ENERGY, WATER, TRANSPORTATION AND JOBS'
- WiN Global at COP 26: 'NUCLEAR IS PART OF THE NET-ZERO SOLUTION - OUR CALL FOR AN INCLUSIVE, SUSTAINABLE FUTURE FOR ALL'

# Events

## **NOVEMBER 23**

- WiNGlobal active role at the International Atomic Energy Agency (IAEA) International Conference on the Safety of Radioactive Waste Management, Decommissioning, Environmental Protection and Remediation: Ensuring Safety and Enabling Sustainability 6–10 November 2023, Vienna
- Panel “The vision of Young Professionals in ensuring safety and enabling sustainability”: WiN Global Vice-President Melina Belinco contributed as a speaker and our past President Gabriele Voigt was part of a diverse 'tribune' of specialists which interacted with the panel.

## **OCTOBER 23**

- WiNGlobal at the IAEA 2nd International Conference on Climate Change and the Role of Nuclear Power
- Side Event "Women Confront Climate Change", organized in collaboration with the International Atomic Energy Agency (IAEA) and WiNIAEA

## **JUNE 23**

- IAEA side event "Nuclear technologies A Shared Commitment to Protecting the Environment", on the occasion of the World Environment Day, June 2023, with the participation of DG Grossi and a panel of distinguished speakers

## **MARCH 23**

- African Women in nuclear for Securing Water Resources in Africa, March 2023: WiN Africa, in collaboration with the International Atomic Energy Agency (IAEA), organized this webinar to celebrate World Water Day

# WiN Global Young Generation

- Over 120 young professionals from 35 countries supporting WiN Global actions, especially in addressing the climate crisis.
- We conceive the youth as change agents and, therefore, they are an active and crucial pillar to build the future of WiN Global
- They are co-organizing the following event on the margins of the current COP 28: "Youth's Role in Accelerating the Clean Energy Transition", together with the International Youth Nuclear Congress, and the North American Young Generation in Nuclear network

# New Partnerships

- In addition to existing partnerships/ cooperation agreements such as IAEA, NEA, Tthor, ENEC, NUVIA.....
- In February a MoU with Women in Renewable Energy (WiRE)

NICE Future  
Nuclear Innovation. Clean Energy Future

A low-angle, upward-looking photograph of a diverse group of women of various ethnicities and ages. They are all smiling and looking towards the camera. Their hands are raised, and they are collectively holding a small, realistic globe of the Earth in the center of the frame. The background is a clear, bright blue sky with some light, wispy clouds. The overall mood is positive, collaborative, and hopeful.

Women preparing a green,

**INCLUSIVE &  
SUSTAINABLE**

FUTURE FOR ALL
